Notes to Authors

- 1.**Articles should be written in Persian, along with abstracts and key words in English, and based on the following guidelines. In order for the articles to be reviewed, please forward them to the website of the journal.
- 2.**Only scholarly-research (fundamental or pragmatic) articles will be accepted.
- 3.**Articles should be within the domain of journal's title (Journal of Urban Areas Studies) and the proposed areas, otherwise they would not be considered for review.
- 4.**After registration in the website (<http://juas.uk.ac.ir>), the responsible author must forward two soft copies of the article, one with the name(s) of the author(s), and another nameless copy, along with the recognizance form, to the website. The files must be forwarded in Word 2007, and also in pdf format.
- 5.**The author(s) must undertake not to send the article to any other journal or conference, national or international, till the final result is stated by the referees (it is obligatory to fill up and forward the recognizance form, available on the website, along with the article).
- 6.**Since the articles are vetted double-blindly, name(s) of the author(s) must appear nowhere throughout the article, in the Word or pdf files.
- 7.**The structure of the articles must be arranged as follows: title, abstract in Persian, key words in Persian, introduction, data and methodology, discussion, results, suggestions(if necessary), acknowledgement(in necessary), notes, and references.
- 8.**Titles must be brief and concise, containing a clear expression of the article, typed in B Titr Bold font.
- 9.**Name(s) of the Author(s) must be typed in B Lotus 10 Bold font, double-spaced from the title. Affiliations –including academic rank or study program, specialty, university, city, and country– appear under the title, on the left side.
- 10.**Abstract: the first page of the article is devoted to abstract in Persian and key words. The abstract contains a brief and general account of the article, emphasizing the problem, objectives, methodology, and results, at most in 250 words.
- 11.**Key words in Persian: 3 to 5 words must be chosen so that they can be used in preparing an index.
- 12.**Introduction: begins on the second page.
- 13.**Main body of the article and the references are typed single-spaced on one side of the pages only, in 26 lines of 12 centimeters.

14. Typed in Word XP, articles should not exceed 20 pages (abstract page included).

15. The main body of the articles including introduction, data and methodology, discussion, and results must be typed in B Lotus 13 font. . Notes appear after the results and before references.
